

Dell UltraSharp 24 InfinityEdge Monitor with Arm U2417HA

Broaden your view and open your work space with the world's first InfinityEdge monitor with an arm

The ultimate viewing experience

Delight in this expansive 23.8" view that is virtually endless.

- Maximize your view on the world's first InfinityEdge monitor with super thin borders on all four sides.
- See accurate colors with 99% sRGB color coverage at $\Delta E < 2$ — right out of the box.
- Consistent colors across a wide 178°/178° viewing angle.

Beautifully designed arm to maximize your comfort and workspace

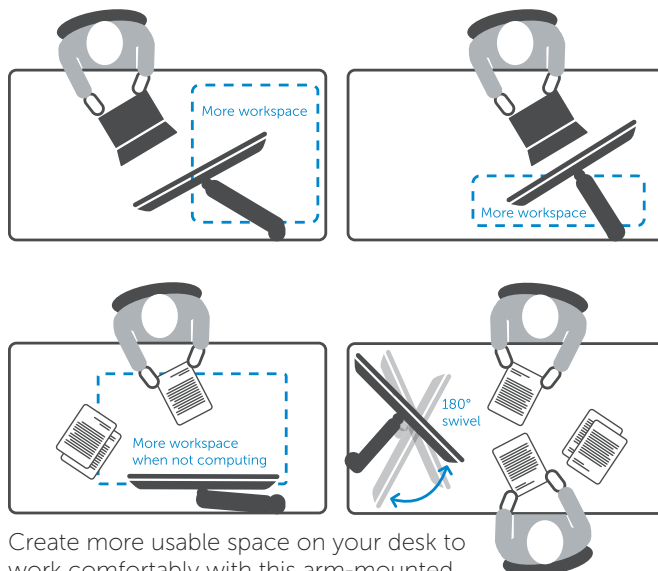

Create more usable space on your desk to work comfortably with this arm-mounted monitor panel.

- Free up desk space directly in front of your screen to work comfortably with this monitor panel that virtually floats above your desk.
- Eliminate cable clutter and keep your work space neat with the integrated cable management system.
- Enjoy greater viewing flexibility with the versatile adjustability of the single monitor arm.
- Fits seamlessly with your office decor thanks to a complementary arm and monitor design.

Unmatched reliability

Comes with Dell's high reliability promise.

- Enjoy peace of mind with Dell's Premium Panel Guarantee¹.
- Minimize downtime with 3 years Advanced Exchange Service².
- Enjoy high reliability from the #1 monitor brand worldwide*.

Create more usable space on your desk to work comfortably with this arm-mounted monitor panel.
